WILDCAT

1972 WHITNEY WILDCAT

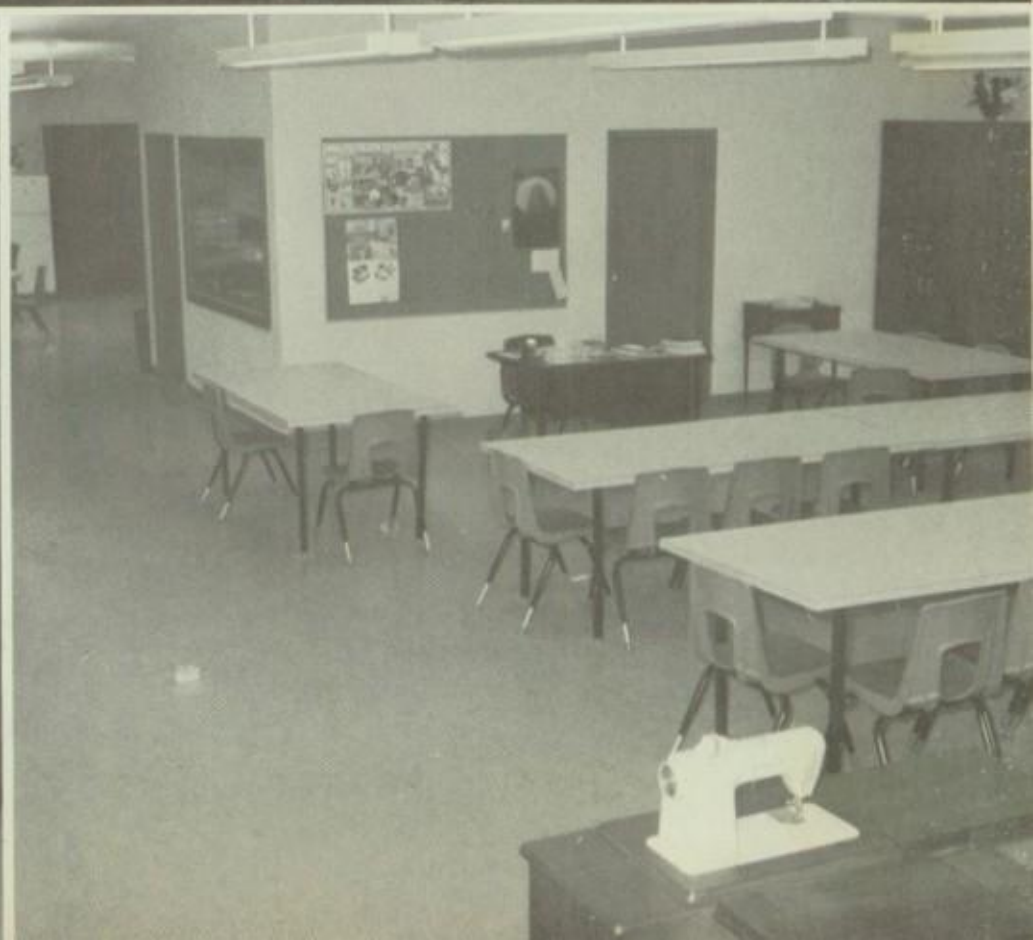
the wildcat
a memory book for WHS
a year's life
crammed into a few short pages
the whole story
you won't find it here
only pieces --
but pieces
designed to jog
a thought
a remembrance
of the days
now unretrievable
except when drawn fondly
from our memories

SCHOOL SONG

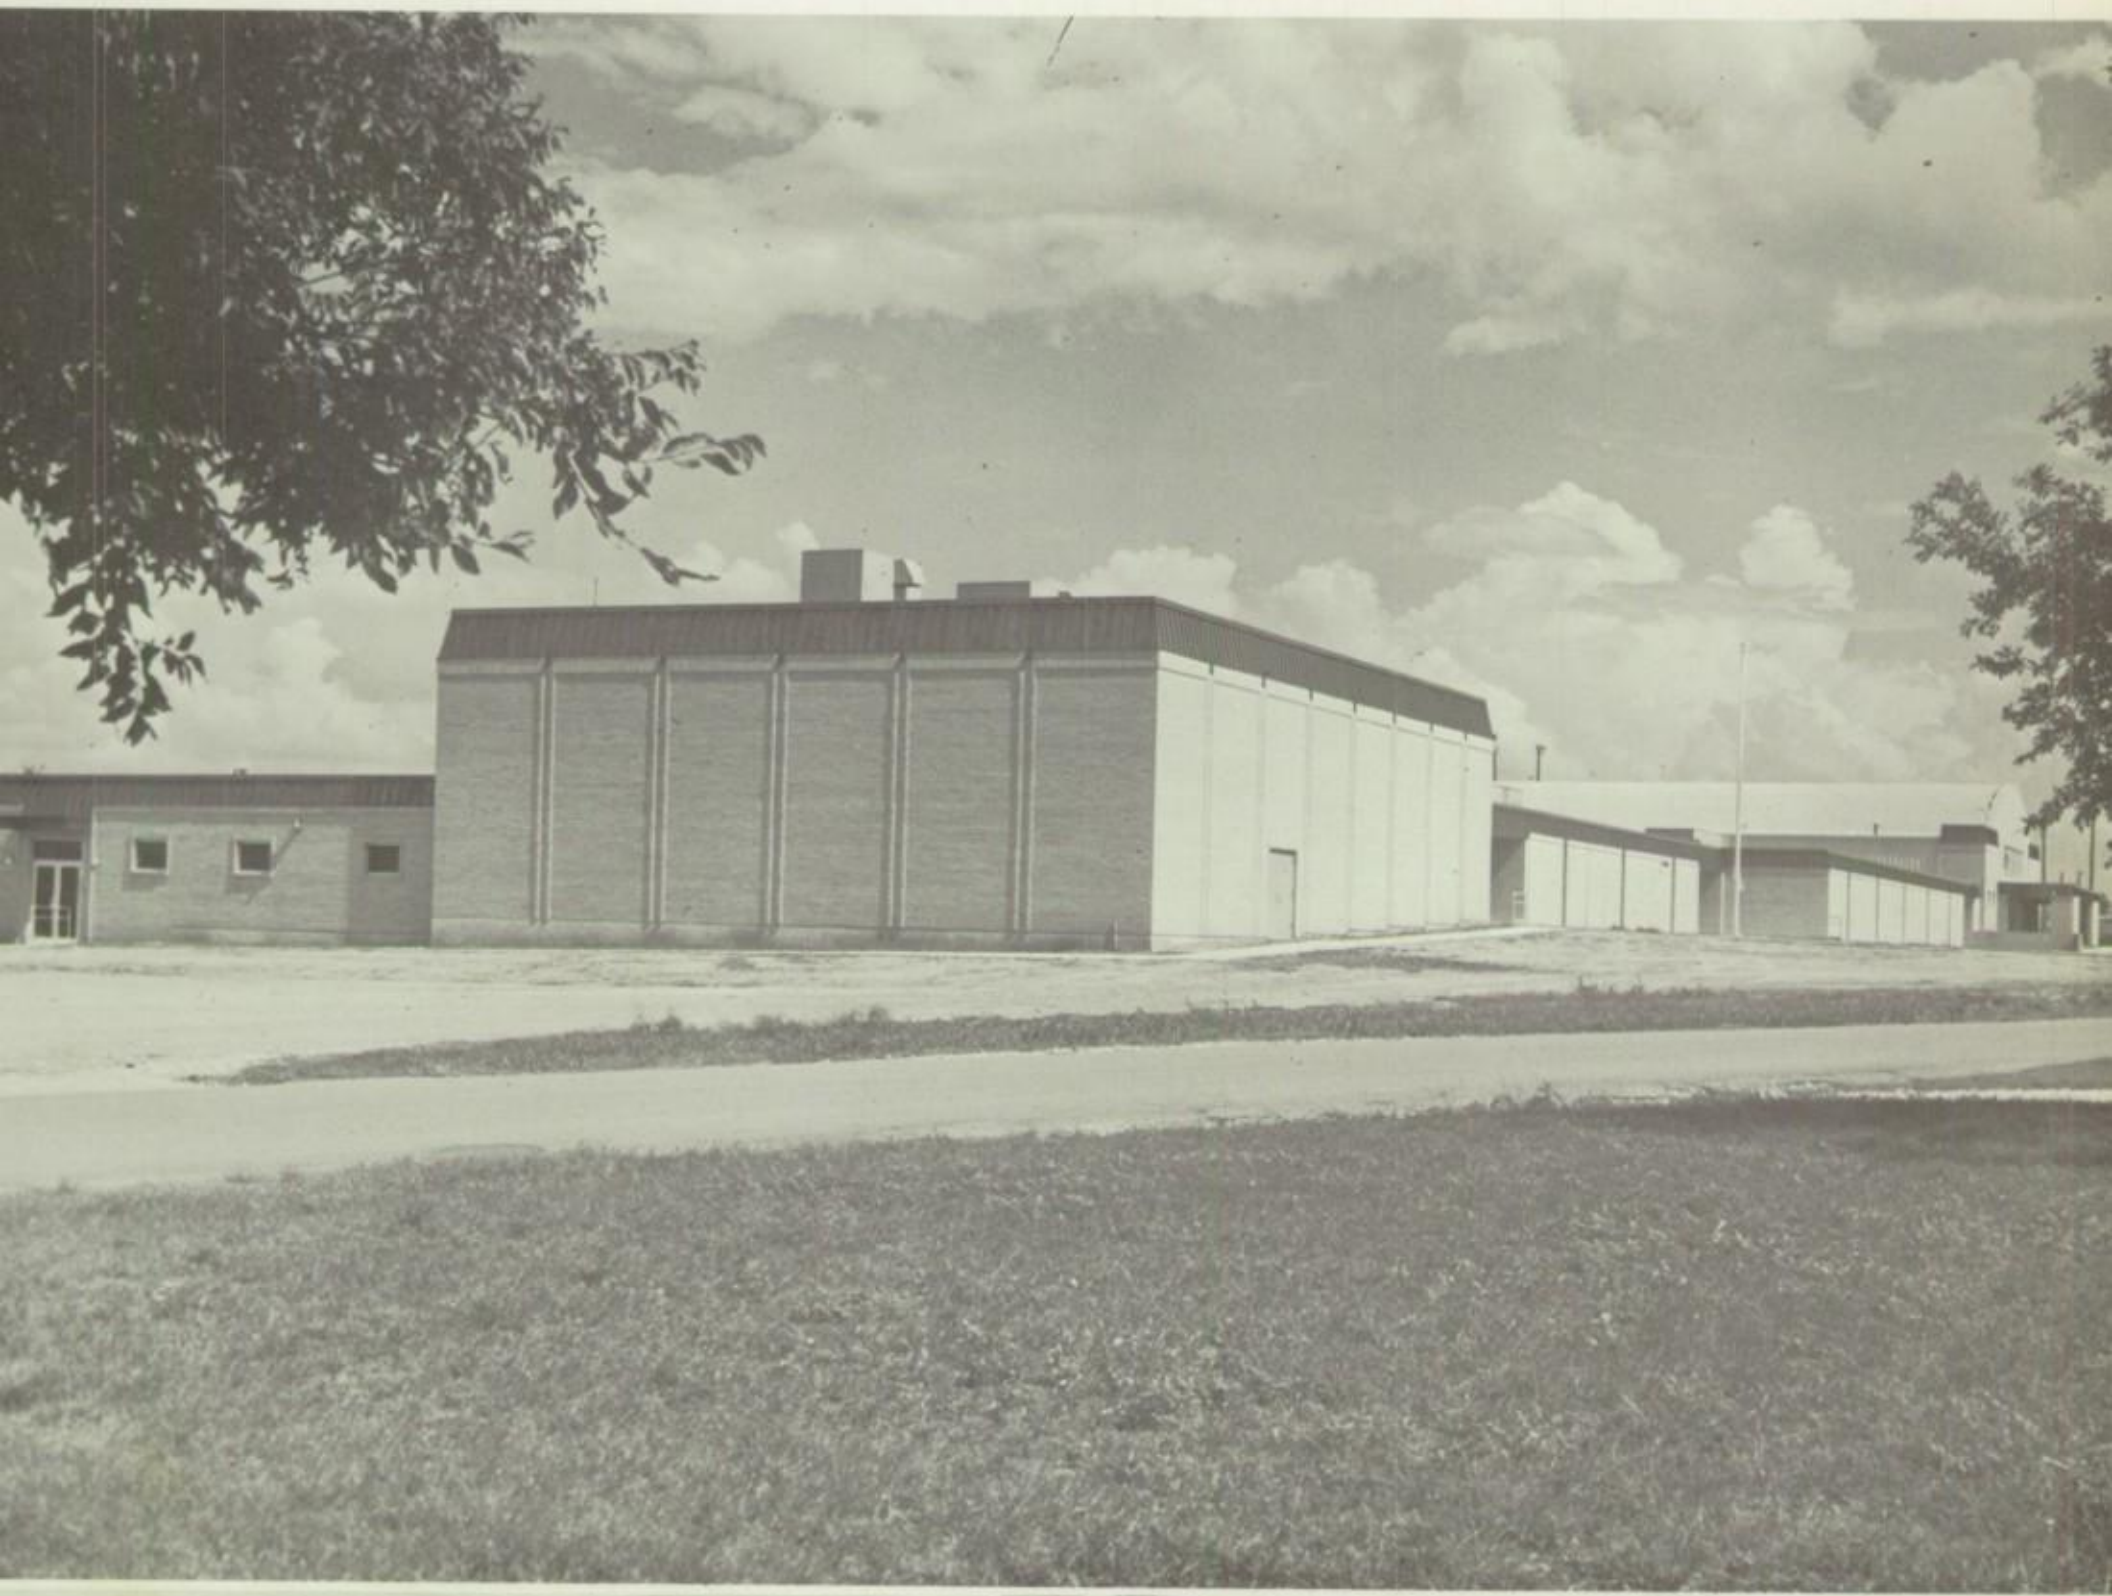
As the time grows nearer
When we must pay our tributes well
We realize how much we love you,
And it is more than words can ever tell.

Whitney High we love you,
And it's a love that will endure;
So may the memory of our days here
Never fade but always remain clear.

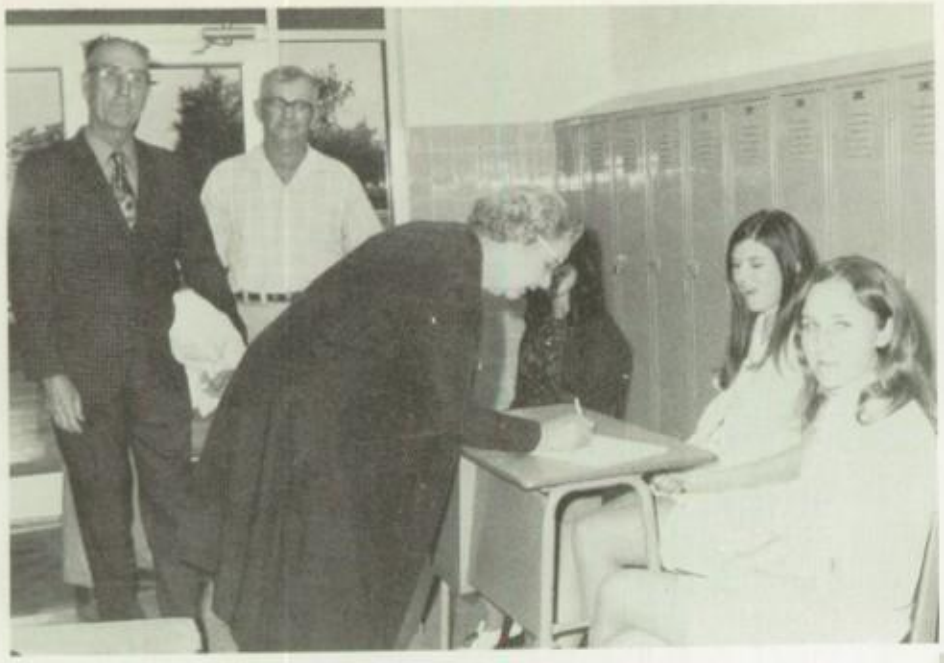
SOMETHING TO BRAG ABOUT



OUR NEW HOME



THE DAY OF



Put your name on the dotted line.

It rained that day ...

This is a much more pleasant visit than many of us have paid to this room!

"We didn't tear up those little bits of paper!"

We thought only kids hid to read that kind of book.

OPEN HOUSE

... they came anyway!

It's a big case, but we're determined to fill it!

Bugs, bottles, and kids.

Just like my kitchen at home.

Who says it's coffee, we can't see a pot?

LAURA B. ALLEN

For twenty-one years, Mrs. Allen has tirelessly worked in the Whitney Elementary School. It is with great pride that the annual staff (many of whom are her former students) dedicate the 1972 Wildcat to this beloved lady. The best words available for praise of Mrs. Allen are her own unselfish statements: "I'm very proud that the people of Whitney have let me have a tiny part in the rearing of their children." In answer to your great love for all of us, we say to you Mrs. Allen: "We luv U!"

IN MEMORIAM

We, the Wildcat Staff, would like to honor Dickie Brandon and Robert Plunkett by remembering them at this point in our 1972 edition. These two outstanding former students died in fatal automobile crashes in 1971.

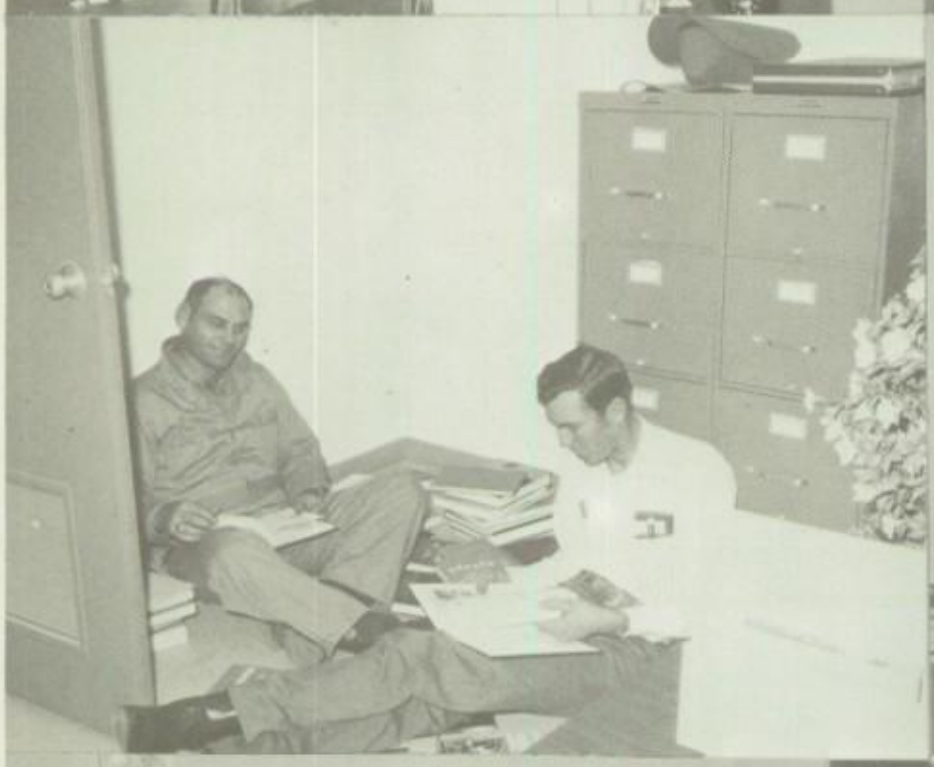
Many were the times we cursed and criticized our teachers. Many were the times we felt that they were unfair and totally unreasonable. Now that we look back with fondest memories, we realize that all our mutterings and biased feelings were all ungrounded. There are now sentimental thoughts of happiness and gratitude.

SO THIS IS TEACHING?



IS THERE CAUSE FOR WONDER

1971 FOOTBALL SWEETHEART
Janet Eubank escorted by Rickey Wallace

The Wildcats began the 1971 season with highest hopes in years. A record number of boys turned out and seemingly more talent was present than recent seasons.

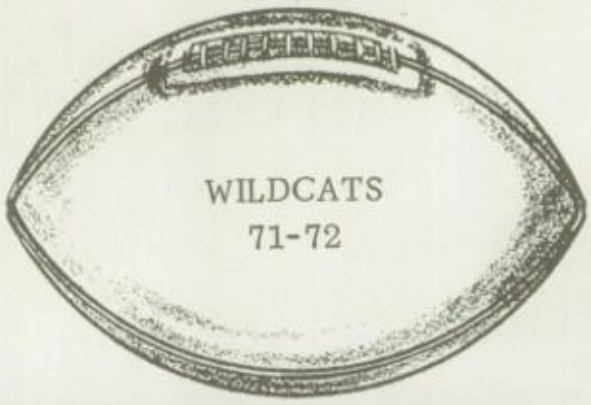
The big blue, however, was unpolished and got off to a slow start. They fell before their first four opponents. The blue team made their best showing in these non-district games against Joshua, the most powerful of the four. The Cats put up a 100% effort against Joshua but could not match the superiority and depth of the experienced Owl team.

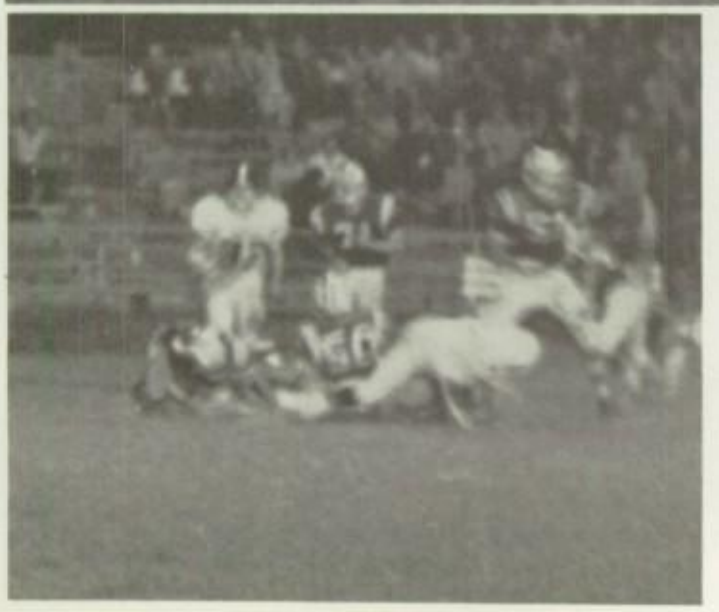
The homecoming game showed the Cats to be an efficient team capable of working together. Everyone played up to par and the Cats simply slaughtered Lorena. The next game proved to be the highlight of the season. The whole school united behind the team and the mighty blue unmercifully massacred the Glen Rose Tigers.

In All-district selections two cats made the first team. Nathan Dunn was picked as a defensive tackle and Gary Blakeney was picked as a linebacker. Those making second team offensively were Ricky Wallace, Jeff Overton, Mike Findley, Bobby Swilling, and Gary Blakeney. Those making the second team defensively were Billy Curbo, Ricky Wallace, and Jeff Overton.

Umph !!! Blood ... sweat ... and tears!

WHERE THE ACTION WAS!





What few scenes are represented here are not nearly enough, but perhaps these few will cause you to recall a bruise, a triumph, a tear, a cheer, some joy.

Made!!!

A job well done!!!

Need a light?

Welcome to our humble mortuary!

Now, Darling, about the vultures and the tse-tse flies. Muscles, muscles

Mother, your hair!

I could have danced all night .

Buddy Ford, how dare you pass up an All-American girl.

To the dungeon!

A clock that screams ten?

It's an old cold remedy of Granny's!

"Now you willa sleepa, you old bag!"
